

Dear camping friends from all over Europe,

On behalf of the Committee, I welcome you to Poland. Krakow will host the 60th Europe Rally. It is a very beautiful place, a former air force base which now serves as a museum where you can see and learn everything about aeroplanes. The airstrip serves as our main road. You can easily reach the famous old centre of Cracow by bike, but also the tram stops nearby. It will be difficult to choose what to see. But also the surroundings of Cracow, the Malopolska region, have a lot of natural beauty and culture to offer. In addition, PZM, the Polish organiser, is preparing a special evening programme. And many fascinating excursions. The safety of the site and the land is well taken care of. So this is certainly no reason not to go to Krakow. We hope to welcome many of you in Krakow so that new friendships can be made and old ties can be strengthened. We have a lot of catching up to do after Covid 19. I wish everyone a nice stay in Cracow.

Kees Splint, President Europa Rally
